

Bumble and bumble.

Salon born. New York raised. Hair is what we 'do.

Bumble and bumble began as a single NYC salon, back in 1977. The haircare brand quickly clipped and colored their way into global prominence through a collection of cutting-edge products (coveted by hairdressers, IT-girls, salon network, and beauty junkies, worldwide). Today, Bumble and bumble is comprised of two salons, a product company and their own Bb. University for hairdressers and salon owners.

Bumble and bumble is passionately dedicated to the transformational power of hair — helping hairdressers and consumers define their individuality for over 40 years.
