Hunter Amenities is proud to announce that **ZENOLOGY** is the newest addition to our brand portfolio per 1 January 2019.

ZENOLOGY is an indie fragrance driven brand, founded by Jeroen Oude Sogtoen, committed to bringing hotel luxury home, making sensible, luxurious, quality beauty and lifestyle products that nourish the skin, restore the body, glam up an interior or yourself, all with care for the environment.

Their 360° hotel program is designed to create unique experiences and memories through the power of scent.

A total hotel concept from (bespoke) hotel cosmetics to scenting solutions, from luxury to economy. **ZENOLOGY** tailors the product mix that best suit the property and its guests.
